Very good condition. Bent corners but not that serious.

Good

Good condition. Good price. Good shipping. Thanks

I am happy with my purchase, book in good condition and arrived on time. I get better books from then we do buying from last year's student's copies.

Was a present

The textbook was listed as very good, but it was in excellent condition...almost like new. Received within the limit of time, as well.

Arrived nicely packaged and was in perfect condition. Timely mailing is being used for a summer school class. Thank you. M'Liss Kane
