The Beatitudes For Children

Synopsis

8 Ways Kids Can Grow Closer to God When it comes to growing closer to God, kids (and adults) have no better teacher than Jesus. His eight Beatitudes are a positive, proactive guide for kids to love and serve the Lord as they mature in their understanding of their faith. In *The Beatitudes for Children*, each Beatitude is coupled with a kid-sized explanation that makes it easy for them to relate to these powerful statements. There are "real-life" applications that kids and their parents can participate in, which will inspire the whole family to apply the Lord's guidance to their lives. Enlightening, energizing, and creatively illustrated, *The Beatitudes for Children* will help you encourage the kids in your life to stay close to Jesus as they grow.

I got the Beatitudes for Children for my 3 year old daughter as part of my introducing her to Christianity. She loved it, for whatever reason I am not sure. It had some cute illustrations; random mice characters did nothing to help along the story but she liked them. The book is 62 pages long but she kept wanting to here more, by the time I finished my throat hurt, but she was able to sit and listen the whole time! She was very interested, esp since this Christmas she really understood that it was Jesus' birthday, and now she could relate Jesus to something else. She calls it her Jesus Book! :) We are not Catholic but I still enjoyed this book and it could easily work for other branches of Christianity with only a few terms which are not common language. With nearly 100 books in my child's library she picks this one up often to "read" by herself, but it seems to be for much older children, I recommend it though and know that an parent will have an easy time bringing the beatitudes to their little ones.

Very well-done meditations and prayers on each of the Beatitudes for children. Reading aloud to my five and six year olds for Lent. Hoping that going through these one at a time will help when it comes time for Confirmation. Somewhat older children will also enjoy this title, as well as The Ten Commandments for Children by the same authors/illustrator.

Perfect for reading with my class or for students to read on their own.

Perfect for my faith formation class and easy for the children to understand.

Nice gift for my CCD kids as a reminder to be god kids and treat others with respect. Nice gift.

Very good material.

Great book for teachers to use with children!

Great book for my CCD children
