Chips And Dips

Synopsis

Can anything ever be more relaxing than huddling up with your family or best friends watching a movie or chatting in your cosy living room? The only thing that can make this experience better is a bowlful of chips and a lip-smacking dip to go with it! Indeed, Chips and Dips make terrific appetisers and are also the first choice for a snack anytime during the day, and in any season. It is an exciting repertoire too, with no dearth of choices, as you will see from the 43 recipes given in this book. Creamy and crunchy, tangy and cheesy, traditional and innovative, this book offers you a wide collection of recipes that will tickle your taste buds into limitless joy! The best part is that most of these recipes can be whipped up within minutes using readily available ingredients. The recipes in this book are categorised as Hot Dips, Cold Dips, Quick Dips and Fondues, along with popular Chips and Accompaniments to serve them with. On a cold winter's day, you can try out hot dips like the Indian Corn Dip and Curried Paneer Pãñtã©, which have an Indian touch, or international favourites like the Queso Dip and the Herbed Tomato Dip. For a garden party on a hot afternoon, you can opt for cold dips like the Herbed Hummus and Spinach and Tofu Dip, which can be conveniently prepared earlier and stored in the fridge. For unplanned bashes, you can quickly whip up the Roasted Bell Pepper Dip or the Mango Salsa, which can be prepared within minutes. As fondues are trending, we have also included choices like the classic Cheese Fondue and Classic Chocolate Fondue. Apart from these traditional favourites, we have included innovative options like the Pav Bhaji Fondue and the Coconut Fondue. Dips without chips are like jars without lids! So, logically, the next part of the book is all about chips and accompaniments to go with your favourite dips. While you can settle for store-bought chips, you can also try your hand at making Nacho Chips and other accompaniments like Baked Potato Wedges and Melba Toast, when you find more time. Crunchy chips and flavourful dips prod even the busiest person to take a break and relax because this combo cannot be enjoyed in a hurry! Make the most of this book to create many such relaxing moments for your near and dear ones – and yourself too. Welcome to the digital version of Tarla Dalal's Chips and Dips! You can now carry your cookbook with you wherever you go. Although this book contains the same delicious and inspiring recipes as the print version, you might find the look-and-feel a bit different, due to the changes we have consciously implemented, to make using this eBook easy and interesting for you. Customer Reviews

I bought this little book because it went great with a small two person crock pot that I purchased as a gift. Some of the recipes in there sounded really good and I'm looking forward to trying them! Since this book was cheap and small, it was good to use as a small add ons for gifts, packages, etc.
