Rescued By Love (Park City Firefighter Romance)

Synopsis

Captain Cameron Compton is content with his job as a firefighter and coaching a youth lacrosse team. He doesn't need or want anything else in his life. Then a tall blonde schoolteacher parks her Jeep illegally in front of a fire hydrant, and one of his crew soaks it with water. Repentant but un-intimidated, she fires back at him, and he's pulled in by her spunk. Sage Turner has wished her entire life that she could shrink to a normal-sized woman. She hides her insecurities pretty well, but when she falls for a hot firefighter, she's certain she'll never be good enough. Stranded together at her cabin, sparks start to fly, and Sage barely suppresses the urge to kick him out in a snowstorm. A fire and a moose attack should bring them together, but instead, they might sever any hope of being rescued from the flames or loneliness. Customer Reviews

I love these characters so much. I'm not tall like Sage, but Checketts put me in the head of a tall woman who has been self-conscious of her height her whole life. And Quad C is a stud, running his fire crew and taking care of Sage. I was impressed at the consistency and accuracy of the fire scenes. As you expect with Checketts, there is plenty of action in this one!

I loved this story and the two main characters were awesome. I really enjoyed the firefighter theme and all that it entailed. Park City seems like a great place to live. There was humor, some scary situations, and lots of clean romance.

Who could imagine that tall, blonde, Sage Turner, school teacher has low self-esteem? She also has a jeep that is illegally parked in the no parking zone when the restaurant next door has a fire. An ill-mannered fire-fighter gives her jeep a thorough drowning with the water hose. Sage is not amused and neither is Capt. Cameron Compton. The two forge a friendship that must survive some scary challenges, mend their broken hearts and remove their insecurities, oh, and survive a moose attack. Clean romance.

Good clean romance. Happened on Cami Checketts books and haven't found one I don't like. I just have a hard time putting them down once I start.

Cam and Sage are a cute couple with strong personalities, yet with big hearts and their own insecurities. I laughed out loud a couple of times and loved the sweet romance. Definitely recommend!

I love the chemistry between Cameron and Sage. But the best part is watching both of them overcome insecurities and previous broken hearts. Stayed up all night reading this one! Don't miss it!

The female character presented as a weak, insecure woman. That isn't my favorite type of main character so the book did not hold my interest as well as other books from this author.

Every book from this author has me watching for the next one. This story keeps that going. She is one of my absolutely favorite authors.
