History Of The People Of Trinidad And Tobago

Synopsis

Dr. Eric Williams was Prime Minister of Trinidad and Tobago from 1961 until his death in 1981. He built his reputation as a historian as Professor of Political and Social Science at Howard University, before turning to active politics, founding the People's National Movement (PNM) and leading Trinidad and Tobago to independence in 1962.

Customer Reviews

I'm a Trinidadian American trying to learn about my historical background. These previous reviewers convinced me to buy this book. I love it. It is verrrrry in depth. More so than I anticipated. This book helped to elucidate many facts that were unclear to me. It's not an easy read, but just take your time with it. It is a learning experience. I would have liked to learn more about the slavery of blacks and semi-slavery of Indians but it was enough information to get a taste. I'm glad with the amount of information that I acquired with this book. It is very informative. I'm not into historical studies, but I really enjoyed this book. Sometimes it was a bit tedious, but all in all very knowledgeable information. Great read for American Trinis who want to learn their heritage which is very important!

Always love reading about my country and remembering all the things the generations had gone through but sadly and heartbreaking OUR sweet island is struggling after all this time. So reading this book brings me sadness and happiness all at once.

Poorly formatted

very interesting book

very good

Informative, useful

For anyone wanting another perspective about the history of Trinidad and Tobago. Written by the greatest leader of the PNM and the country of Trinidad & Tobago.

I purchased this book to learn about Trinidad and Tobago before visiting on vacation. I was pleasantly surprised by Williams' wit and sarcasm. The book moves at a good pace and includes anecdotes, numbers and interesting quotes. I feel like I have an adequate grasp of TT history now that I've read this book. I actually enjoyed it so much that I ordered another of Williams' books.
