The Rancher's Daughter's Revenge: A Choose Your Own Erotic Story

Synopsis

Your life as a young and naïve Rancher's daughter is turned upside down when outlaws murder your father and burn your home to the ground. Barely escaping with your life, your quest for vengeance sets you on a path of adventure and self-discovery as you take your first steps in a wider world full of danger and temptation. This Erotic choose your own story puts you in control, utilizing e-book technology to eliminate the page flicking of yesteryear and allow you to enjoy the excitement and wild pleasures of life in the Old West. Perhaps you will seduce a young farm hand or throw yourself at the perverted mercies of a less than godly preacher. You might find yourself seduced by a handsome gunslinger or using your feminine wiles to escape an Apache warrior. A beautiful, voluptuous visitor may tempt you with forbidden pleasures or perhaps you will fall under the spell of a vivacious southern belle and her beau. Inspired by numerous Westerns, this 74,000+ word Erotic choose your own story offers a wealth of content, with its intricate branching storyline offering several wildly different paths to multiple endings, ensuring you can read again and again and see how events play out differently depending on the choices you make.

Customer Reviews

I had a lot of fun with this cowboy version. But my favorite choose your own adventure is the secret agent and I would love a sequel, please. I do have a few more choose your own adventure scenarios suggestions.....1. WWII P 51D fighter pilot working to become an ace.2. Doctor/surgeon in a clinic or hospital during a disaster or emergency event.3. Hero type scientist in a sci-Fi type disaster adventure.4. World War one pilot (Royal Air Force or US Army Air Corps) over the skies of France.5. Hero cop or detective of the 20th century frozen and awakens a century later.6. A college Freshman misadventures as he navigates thru four years of school and the women at a Ivy type university.7. Air Force or US Coast Guard commando type hero or heroine on a rescue mission accepting a mission that everyone says is impossible to complete. Thanks, Callista Hawkes and keep them coming please !
