Monster Musume Vol. 7

Synopsis

Monster MILFs Kimihito's eyes are about to pop. The mothers of not one, not two, but three of the monster girls who live with him are coming for a visit. It doesn't help that this trio of mothers is every bit of sexy as their daughters and just as dangerous to Kimihito's mental and physical well-being. Stuck in the middle between the mothers and their daughters, Kimihito learns more than he ever wanted to know about the mating habits of lamia, harpies, and centaurs, while repeatedly facing the possibility of an ecstatically painful death. Fur, feathers and scales are about to fly, as Kimihito's hide hangs in the balance!

“Monster Musume is a fun, sexy harem story.... if you're in the mood for a raunchy comedy that still has a brain, look no further than this.” — Anime News Network

OKAYADO is a Japanese manga artist and author who is best known for Monster Musume.

Well the days have arrived - the mothers visitations are here. Now our hero is expecting some nice quiet time, but when not only each one is as sexy as their daughters - they almost have as many issues. How can Kazuha put up with a snake woman trying to kidnap him for a harem party, a harpy who looks like a cast member of Jersey Shore, and a centaur who has a secret about her past that involves her daughter? But that is not all as Smith tries to push for an answer to the marriage

question, and he tries to face each girl's feelings head on. Can he and the house survive the hijinks, and why is he always seem to be in a field with Lala after each one? This volume really pushes the edge on fan service, hilarity, and straight comedy. If you enjoy the series this one is one not to be missed as you feel for each girl as they each face their hearts for the one that they all love (except for Lala who is there to protect him from Death). Suu comes up with the most likely answer, but the question is how can they pull it off? I can not wait for the next one, which we have to wait until next year for.

Yes, as promised (threatened) at the end of *Monster Musume Vol. 6*, Mia's, Papi's, and Centorea's mothers are coming to visit, but fortunately on separate days, allowing Kimihito...nowhere near enough time to recover between visits. Mia's Mama is the first to come, and the biggest reveal here is the details on Lamian tribal mating practices, both historical and post-treaty, and Mia's intended role in the latter. Next, is Papi's Mommy, and again the biggest reveal here is the details on Harpy mating practices, which, like Lamian mating practices, also require human males because there are no male harpies just like there are no male lamias. An explanation is also offered for harpies' "birdbrain" behavior. It seems there is an old Japanese proverb stating that chickens forget what they are doing after taking three steps, and it apparently applies quite literally to harpies. Finally, is Centorea's Mother, and again the biggest reveal here is the details on traditional centaur mating practices and how they are changing in the face of opposition from the current generation of female centaurs who are voting with their..., uh,... that is to say, more and more are refusing to have children the old-fashioned way. Naturally, being so much alike Centorea and her Mother come to a meeting of the minds on this...after they fight a duel. Last of all Ms. Smith tries to give Kimihito a good hard nudge in the direction of choosing a bride so he decides to quit running for his life and to start hearing them out about their feelings about him,...which has to be the worst decision he's ever made and results in so many neardeath experiences...that he starts recognizing the other people there at death's door with him. Finally, a fed up Rachnera lassos him to (relative) safety and proceeds to lecture him about taking such idiotic chances with his life, but it turns out that he can read her even better than she can read him. Then the rest of the would-be brides show up in Rachnera's attic to rescue Kimihito's virtue and life (in that order), and thanks largely to Su everybody survives the subsequent high speed journey to the ground floor. So the house will be receiving extensive repairs, and you know what that means. Road Trip: *Monster Musume Vol. 8!*

The everyday life with monster girls continue...I think I don't have to say much anymore because

this is the 7th vol. already so yea. It is still good and funny like in Vol. 1. Waiting for Vol. 8 to be released! !

I love this series of books. It got comedy, action, little romance, but it's not for anyone under 17. It got some adult contents. Can't wait for number 8. Want to get that one pre-order sent becomes available.

B

I love the series and the characters, but there are a few things I can't wait for in vol. 8 so I could finish the series.

Really cute, and this volume has my favorite girl in it of the series.

Great read, the funnest one I have read since the first volume.
