Hawaii Big Island Unanchor Travel Guide - Tackling 10 Must-Dos On The Big Island In 3 Days

Synopsis

Tackling 10 Must-Dos on the Big Island in 3 DaysThe island of Hawaii, better known as the Big Island, is the largest Island in the state of Hawaii. It's bigger than all of the islands in the chain combined, and it's also the largest island in the United States. With more than 4,000 square miles to explore, where does one begin, and what are the top places you should visit?This three-day guide breaks it down for you, so that you can explore some of the most breathtaking and adventurous places on earth. This itinerary is crafted for those who want to see it all in a short period of time: beaches, scenic lookout points, parks, and of course, lava. You'll have plenty of opportunities for snapping pictures of postcard-perfect moments or time to relax on some of the finest sands in the world.If you're more active and want a little more of a daring trek, you can easily adjust the tour and check out some of the trails mentioned. Just make sure you own a good pair of sneakers, strong legs, and a healthy heart for the heart-pumping hikes.

Customer Reviews

I like the writing in this book. It's concise and the author outlined itinerary with even precise time

needed to travel to each location included. It saved me tons of time doing the research myself. I just followed the itinerary and really enjoyed the trip in Big Island.

Clear and accurate. Good pics and maps. Reasonable itinerary suggestions with detailed activity descriptions. Could stress the need for rugged footwear and water gear when near lava flows.

Simple things to do that don't cost an arm and a leg. like it for added ideas for next trip.

Love this book! Lots of good information packed in three days and appreciate how the author make an effort on allocating the timeline on each place to visit and map out the directions to each place. Definitely need to read if one plan to visit the Big Island.

I loved the comprehensive nature of this jam-packed itinerary. This is definitely a must-read for people who like to get as much done as possible. I liked that the prices and times are given. I feel like this will allow me to get a great look around the Big Island in a few days. It is the one island I have yet to visit, so this is going to be extremely helpful!
